

Task 2 - HTML/CSS/JS

A login page which collects username and password

The screenshot shows a web browser window with the address bar displaying "File C:/Users/Lavanya/Downloads/Nova-18S/login.html". The page content is a simple login form centered on a light gray background. The form has a white background and a subtle shadow. It contains the title "Login Page", a "Username:" label followed by a text input field, a "Password:" label followed by a text input field, and a blue "Login" button at the bottom.
