

# User Manual

## 1. Account Creation / SignUp

When signing up please ensure that the email and phone number used to create the account are unique. If already existing then you will not be able to create another account with these details

Once you have created the account you will receive an email at the email ID with which you have registered which contains the Account ID which will be used for Login

The image shows a web browser window displaying the 'Registration Page' of Nova Banking. The page has a blue header with 'Nova Banking' and a 'Login' link. The registration form includes fields for Email (lavanyapidikiti.24cs@licet.ac.in), Name (Lavanya Pidikiti), Phone Number (6383661366), Password (masked with dots), and Confirm Password (masked with dots). A blue 'REGISTER' button is at the bottom of the form. Below the browser window, an email interface shows a 'New message from Nova Banking' with a yellow 'External' tag. The email is from 'Nova <nova.banking.12@gmail.com>' to 'me'. The email body contains a welcome message, the account ID 'SBI0023', a red 'Caution: Do not share these details with anyone.' warning, and a signature from the 'Nova Banking Team'. At the bottom, it says 'Email sent via EmailJS.com'.

## 2. Login Page

Login with the respective credentials.

If you didn't register then use the below credentials

**Account ID :** SBI0001

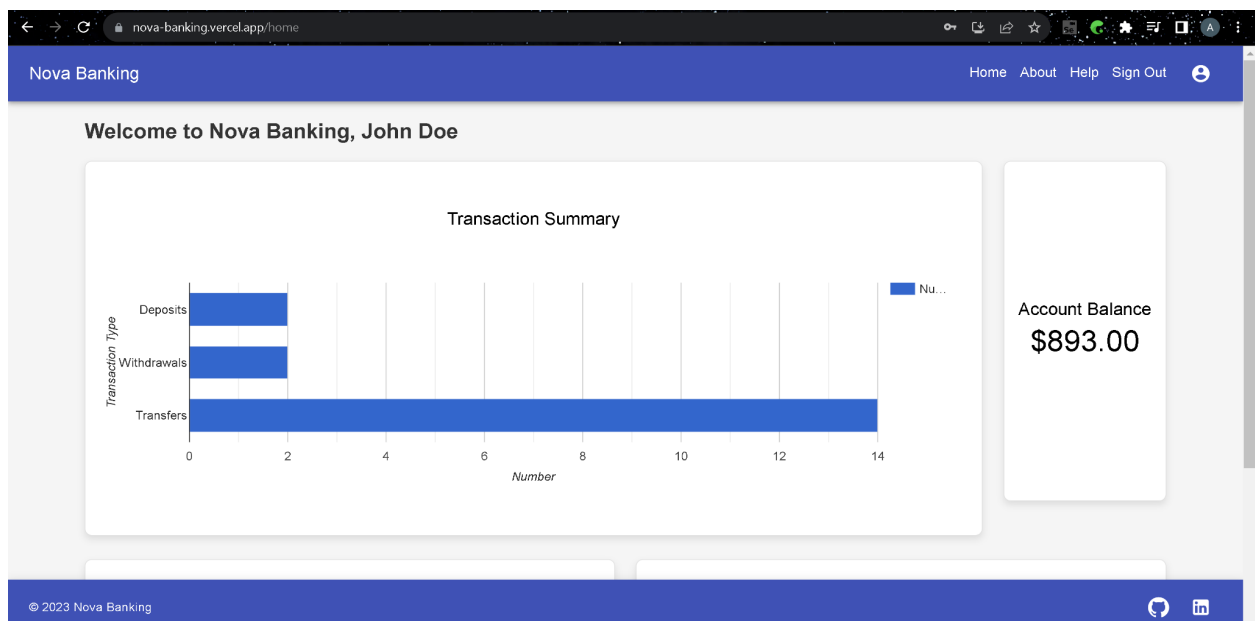

**Password :** password123

The screenshot shows the login interface of the Nova Banking application. The browser address bar indicates the URL is `nova-banking.vercel.app`. The page features a blue navigation bar at the top with the 'Nova Banking' logo and a 'Register' link. The central login form is a white card with a 'Login' title. It includes input fields for 'Account ID' (containing 'SBI0001') and 'Password' (masked with dots). A blue 'LOGIN' button is positioned below the password field.

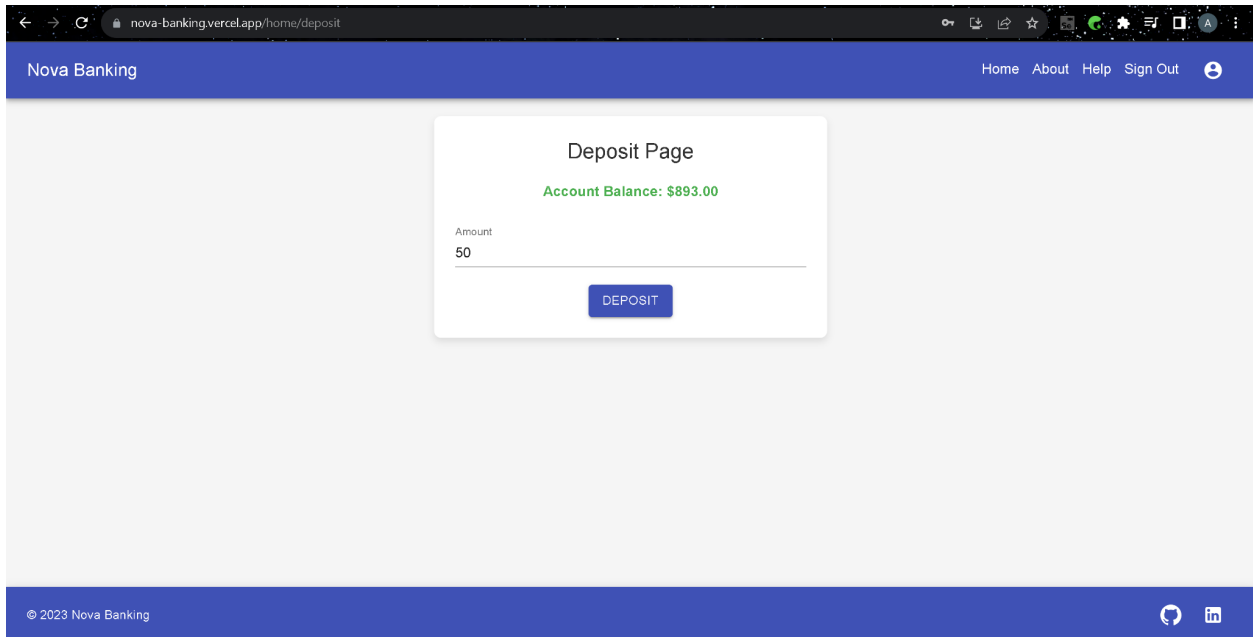

## 3. Home Page

After logging in to your account with the valid credentials, you will redirect to the landing page or the home page, where you will be able to see your account balance, the no. of transactions made as well as navigate to the other pages of the app.

## 4. Deposit Page

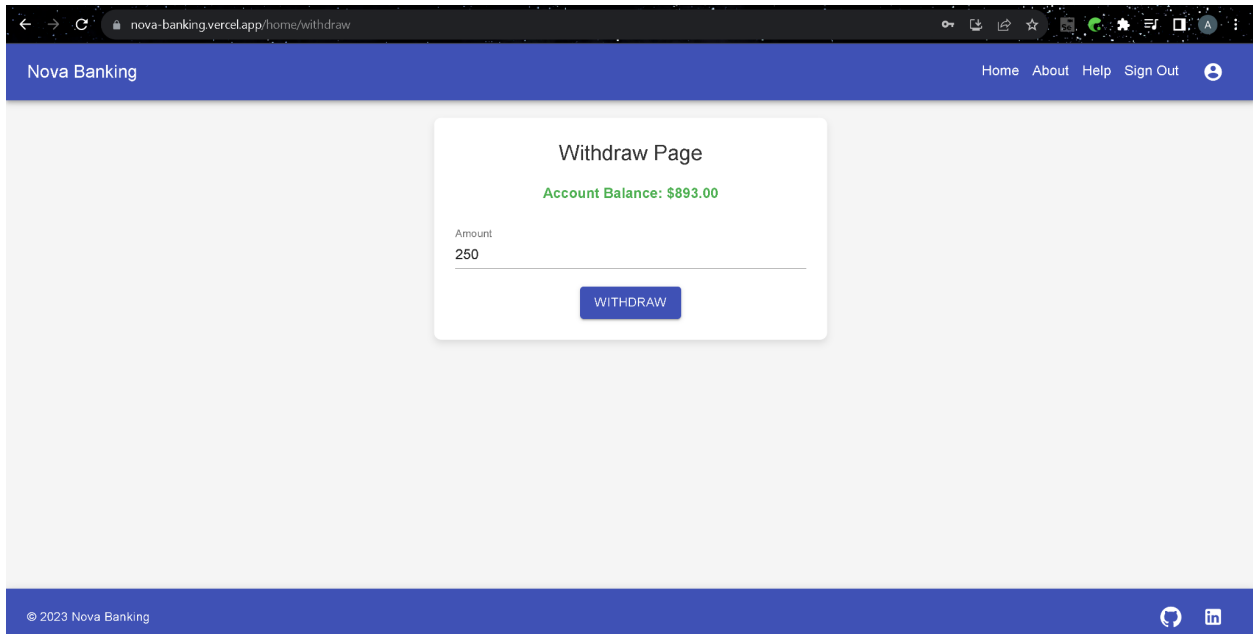

As you click on the deposit card present in the home page , you're navigated to the deposit page which displays the user's balance and the amount to be deposited.

The screenshot shows a web browser at the URL `nova-banking.vercel.app/home/deposit`. The page has a blue header with "Nova Banking" on the left and "Home About Help Sign Out" with a user icon on the right. The main content area is light gray and contains a white card titled "Deposit Page". Inside the card, the "Account Balance: \$893.00" is displayed in green. Below this, the "Amount" is set to "50" in a text input field. A blue "DEPOSIT" button is positioned below the input field. The footer is blue, showing "© 2023 Nova Banking" on the left and social media icons on the right.

## 5. Withdraw Page

Now when you click on withdraw card present in home page, you're navigated to the withdraw page which displays the balance and the amount to be withdrawn.

The screenshot shows a web browser at the URL `nova-banking.vercel.app/home/withdraw`. The page has a blue header with "Nova Banking" on the left and "Home About Help Sign Out" with a user icon on the right. The main content area is light gray and contains a white card titled "Withdraw Page". Inside the card, the "Account Balance: \$893.00" is displayed in green. Below this, the "Amount" is set to "250" in a text input field. A blue "WITHDRAW" button is positioned below the input field. The footer is blue, showing "© 2023 Nova Banking" on the left and social media icons on the right.

## 6.Add Beneficiary Page

Here in this page you will be able to add the beneficiaries for your account so that you can transfer the funds to them. Do make note that the beneficiary to be added must be a valid account holder under Nova Banking
